

AGREEMENT ~~FEDERAUTO-ASCONAUTO~~ FOR AUTOMOTIVE INDUSTRY

Federauto **AsConAuto** and unite their voices to give greater weight to the needs of the category of the auto sector in trade with the interlocutors and in institutional settings. In view of the difficulties and the negative signals complained recently by the sector, the two organizations have decided to join forces to provide a single point of contact to support the interests of all members and, by extension, of the supply chain. For Adolfo De Stefani Cosentino, president of Federauto, the market is in a difficult situation and without a coherent plan and consistent from the government. "This logic of sharing of objectives, greater synergy and cooperation between our Federation and **AsConAuto** can only strengthen a common front in the challenges that lie ahead." Fabrizio Guidi, president of **AsConAuto**, emphasizes "the ability of the two associations to present itself as a positive example, with Federauto that will represent the common interests against institutional, while **AsConAuto** will be dedicated to a team of dealers."
